Please note, it is a criminal offence, for which you may be prosecuted, if you:

- Knowingly make a false statement or omit any information from this application; or
- Drive a Hackney Carriage or Private Hire vehicle without a licence to drive issued by the Council

I declare that to the best of my knowledge and belief, the answers given herein are true.

I understand that if I knowingly or recklessly make a false statement I will receive Swale Penalty Points and it may result in refusal or withdrawal of the licence if issued.

I do not have any convictions or cautions to declare, and I am not subject to any pending prosecutions or being investigated for any other matter. (Please tick if you have answered No to all questions in relation to convictions, cautions and pending police matters)

OR

I list here, full details of all convictions and cautions I have ever received. I also list full details of any offences for which I am currently being investigated. (Please tick if you have answered Yes to any questions in relation to convictions, cautions and pending police matters. You must also provide the details of any convictions)

I understand as part of the application process, Swale Borough Council will access the DVLA website to check for penalty points on my Driving licence by allowing access to my National Insurance number, post code and Driving licence number.

The Local Government Association (LGA), the representative body for local councils, has commissioned a new National Register of Refusals and Revocations (NR3). This is to prevent drivers who have had a licence revoked or an application for one refused going to another authority to dishonestly secure a licence by failing to disclose their previous licensing history.

I understand as part of the application process, Swale Borough Council will check my information against the NR3 to ensure I have not had a licence revoked or application refused elsewhere. I also understand that should my application be refused, or my future licence revoked my information will be entered onto the NR3 pending appeal. This information is held for 25 years.
