BOROUGH COUNCIL

About your Council Tax

Swale Borough Council, Kent County Council, Kent Police & Crime Commissioner and Kent and Medway Fire and Rescue Authority together deliver most of the local services in your area. If you live in an area with a parish/town council, it too provides some local services. This leaflet provides information from each of these authorities.

Kent & Medway
Fire & Rescue Authority

The Council Tax you pay is collected by Swale Borough Council on behalf of all the above authorities. The total amount is then divided between these authorities (see table on page 7).

Calculation of the Council Tax

As I am sure everyone understands, the last financial year has been difficult for councils like Swale. Responding to government direction, we have incurred increased costs in tackling homelessness, rough sleeping, providing community support to local people and in spreading the message to keep everyone safe. At the same time, we have inevitably lost normal income from services we provide. Overall, our revenue budget has been stretched by approximately £4 million, about 20% on top of what we planned. However, by good management and through government funding we have survived.

The coming year is going to be equally challenging. However, I am determined that Swale Council must play a role in supporting recovery and resilience in our local economy and in providing people with more opportunities to enjoy themselves. I dearly hope that all the money previously borrowed by the Council for Sittingbourne Town Centre will now see a return in real opportunities for the people of Swale. We will also be moving forward with the Rainbow Housing Company which over the years to come will provide affordable housing in good locations.

Swale is better placed than many Councils, but for future financial security, we will be asking for a Council tax rise of £4.95 a year for Band D properties.

Cllr Roger Truelove, Leader, Swale Borough Council.
