Pre-application Planning Advice GUIDANCE NOTES

How do I arrange a meeting or written advice?

Requests for pre-application advice must be made on this form and sent to PlanningTechnicians@Swale.gov.uk or to Planning Services, Swale Borough Council, Swale House, East Street, Sittingbourne, Kent ME10 3HT. If a request for a meeting is accepted, the case will be allocated to an Officer to arrange a mutually convenient time to meet with you; no discussion will be entered into regarding which Officer will deal with a specific request. The Council reserves the right to decline a meeting if it considers that the request could be adequately dealt with by letter.

Please note that no meeting will be arranged, or letter responded to, unless the information required by this form and the relevant fee have been received.

Meetings will be arranged for the number of hours indicated on your form. Due to other work commitments, it will not be possible to extend the meeting beyond the agreed time, nor will it be possible to discuss development proposals other than the one for which the meeting has been arranged. Fees for any complete hour(s) of a scheduled meeting that have not been used will be refunded. No refund will be made for time less than an hour.

What happens after the meeting?

Following the meeting, the Officer you met will provide a written summary of the issues discussed and his/her advice on those issues.

What if a subsequent decision does not follow the advice I received?

Pre-application advice is given in good faith and will represent the relevant Officer's professional view. The advice given will be as accurate as possible but it will be based only on the information provided, or discussed at the meeting, and will reflect the Officer's personal judgement rather than necessarily that of the Authority. Please be aware that advice given at the pre-application stage does not guarantee any decision on a subsequent application.

What if I disagree with the advice received?

We cannot guarantee that you will like the advice you receive. In most cases, it is differences of opinion rather than factual errors that give rise to disagreement, and these can only be resolved through the formal planning process. However, if you feel that something has gone wrong, please explain to the Officer involved, as he/she may be able to clarify the situation further.

If you are still dissatisfied with the service provided, it is open to you to make a formal complaint. A leaflet explaining the procedure is available from Planning Services.
